A
Hemilineage 20A.22A:T2, left side
Secondary (larval-born)
Primary (embryonic-born)
Soma position, PC2 (µm)
Soma position, PC1 (µm)
B
155 hemilineage units
AUC (primary versus secondary)
Centroid distance (n = 155)
Axis position (n = 155)
Neurite radial (n = 27)
Neurite burial (n = 27)
C
Fraction of units with primary neurons outside
88%
68%
96%
85%
Centroid distance
Axis position
Neurite radial
Neurite burial
D
Neurons
Secondary
Primary
Soma distance from centroid (z-score within unit)
